CAPABILITY STATEMENT — Drug Testing, Fingerprinting & Background Screening Services

Prepared for Georgia DOAS — State Purchasing Division | Pre-Employment Services | February 2026

★ **EDWOSB / WBENC Certified** — SBA-verified Economically Disadvantaged Woman-Owned Small Business. Meets federal and state socioeconomic contracting goals. Single-vendor solution for the complete pre-employment screening package.

Company Overview

Dee Davis Inc (DDI) is an SBA-certified EDWOSB providing comprehensive pre-employment screening services to government agencies nationwide. We deliver drug and alcohol testing, digital fingerprinting, and background screening as an integrated service — giving Georgia state agencies a single certified vendor for the complete pre-employment compliance package. DDI operates beyond the scope of GEPS supply contracts and the Idemia/IdentoGO GAPS fingerprinting program, filling the gap for hands-on testing services, mobile collection, and federal-grade FD-258 fingerprint processing.

Core Competencies

**Drug & Alcohol Testing Services**  
DOT and non-DOT urine, saliva, and hair follicle testing. Breath alcohol (BAT). SAMHSA-certified lab network. MRO review and SAP referral.

**Digital Fingerprinting & EFT**  
FD-258 ink card preparation. Electronic Fingerprint Transmission (EFT) via DCSA SWFT. Mobile on-site fingerprinting at agency locations statewide.

**Background Screening**  
Criminal history checks (state and federal), employment verification, education verification, sex offender registry, driving records, and credit checks.

**Mobile & On-Site Services**  
Mobile collection units for drug testing and fingerprinting. We come to the agency — no employee travel required. Rapid-response scheduling.
