CAPABILITY STATEMENT — Secured Web Fingerprint Transmission (SWFT) Services

Prepared for Naval Surface Warfare Center Indian Head Division (NSWC IHD) — N0017426Q1009 | February 2026

★ **EDWOSB / SWFT Certified — Direct Provider, 2,000+ Clients Nationwide** — SBA-verified Economically Disadvantaged Woman-Owned Small Business with active DCSA SWFT certification since August 2022. Providing electronic fingerprint capture and SWFT transmission for federal background investigations, security clearance processing, and personnel onboarding across all 50 states.

Company Overview

Dee Davis Inc (DDI) is an SBA-certified EDWOSB headquartered in Troy, Michigan, providing biometric fingerprint and background investigation services to over **2,000 clients** across the private and public sectors. We hold active **SWFT (Secured Web Fingerprint Transmission) certification** through DCSA (active since August 3, 2022), enabling direct electronic fingerprint submission to OPM and DMDC. DDI performs SWFT fingerprint services directly — not through subcontractors — using company-owned Live Scan equipment at existing locations nationwide. Our client base includes Fortune 500 corporations, financial institutions, federal agencies, and DoD installations requiring fingerprint capture, background screening, and SWFT-compliant electronic submissions.

Core Competencies — NSWC IHD SWFT Requirements

SWFT Electronic Fingerprint Transmission
Active DCSA SWFT certification with direct portal access (Username: DavisD). Electronic submission to OPM and DMDC for all federal investigation types.

Live Scan Capture & FD-258 Processing
Electronic fingerprint capture via Live Scan equipment at existing contractor locations. FD-258 card processing and EFT for security clearances, suitability, and NACI.

Nationwide Coverage
Service locations across all 50 states through company locations and certified partner sites. Personnel access convenient locations regardless of geographic area.

Quality & Compliance
Rejection rate consistently below 1.8%. Pre-transmission image verification ensures 98%+ first-pass acceptance. Full compliance with OPM standards and federal privacy requirements.

Service Capabilities

- ✓ SWFT electronic fingerprint capture and transmission via DCSA portal
- ✓ Direct electronic submission to OPM and Defense Manpower Data Center (DMDC)
- ✓ Live Scan fingerprint capture at existing contractor locations nationwide
- ✓ FD-258 fingerprint card processing for all federal investigation types
- ✓ Electronic Fingerprint Transmission (EFT) for security clearances, suitability, and NACI
- ✓ Web-based scheduling and tracking system accessible to government POCs
- ✓ Capacity to process 900+ personnel per year (40+ scans/month)
- ✓ Pre-transmission quality verification with rejection rates below 1.8%
- ✓ Fingerprint data handling compliant with federal privacy and security requirements
- ✓ Biometric fingerprint storage and reprint services for recurring clients

Why Choose Dee Davis Inc for NSWC Indian Head Division

Direct SWFT Provider. Technically Acceptable. Competitive Pricing. DDI is a direct SWFT-certified provider — not a broker or subcontractor manager. We own our Live Scan equipment, maintain our own DCSA portal access, and perform every fingerprint scan in-house or through certified partner sites we manage directly. Our 2,000+ client base demonstrates proven capacity to handle NSWC Indian Head Division's estimated 900 annual scans (40/month). As an EDWOSB under this Total Small Business Set-Aside (FAR 19.5), DDI meets all technical acceptability requirements and offers competitive firm fixed pricing per scan across the base year and all four option years.
