ABOUT BANKERS FACTORING

Bankers Factoring is an employee-owned invoice factoring company that funds companies throughout the United States. We provide businesses with needed capital through non-recourse invoice factoring and purchase order funding.

With non-recourse factoring, we take the credit risk for our clients to ensure unlimited and safe working capital and credit protection. Our factoring fees are easy to understand, and we offer reasonable rates that drop as your business grows. We fund almost any industry, including agriculture, manufacturing, payroll, staffing, telecom, food, beverage, medical, construction, and trucking. We can also fund start-ups and government contractors.
