

Request for Quotation

Pressure Washing of Parks & Playgrounds

DESCRIPTION

The City of Auburn Hills is seeking quotations for HOT WATER PRESSURE WASHING SERVICES to be performed within the City's municipal parks on an as-needed basis. Quantities and timing will be determined by city staff throughout the season as field conditions evolve. Contractor must perform services within 1 week of receiving the request from the City for services.

SCOPE OF SERVICES

Contractor will use HOT PRESSURE WASHING equipment to clean pavilions, gazebos, concrete pads, trash cans, picnic tables, BBQ grills and playground equipment ensuring that each item is clean, and not causing any damage to surfaces. Contractor will use additional cleaning chemicals on grease stains or other residue ensuring that such chemicals do not cause damage to surfaces.

City will provide access to each park property though locked gates, service roads and sidewalks. In some cases, contractor may need an extension hose to reach some service areas. A standard width pick-up truck with a single axle towable hot water pressure washing trailer has been used in the past to reach all service areas. (Example, RAM 1500 pickup towing a MITM AW-9000-0006 trailer). Contractor is not limited to using this equipment, but whatever equipment is chosen must not cause damage to pavement and must fit down service roads and sidewalks to reach the service areas with minimal damage to turfgrass. City will provide contractor access to a water supply.

INSURANCE

Contractor must provide proof of insurance for its vehicles and personnel to the satisfaction of the City. (See insurance requirements contained within this document). Proof of insurance is required before contractor can perform work on city property.

PAYMENT

Payment to contractor will be Net 30 after the work is performed and accepted by the City.

SUBMITTAL & DEADLINE

Each site is located in a public park which is open daily from 7am to dusk. Contractors are encouraged to inspect each site to prepare an accurate quote. No site visit appointment is necessary. Use caution due to winter conditions. This is not a sealed bid. Please send your quote by e-mail to Storres@auburnhills.org before Friday, February 13, 2026 at 3:00 PM EST. City will respond to all submittals with a "received" message. If you do not receive a "received" message, please contact us by phone to ensure your quote was received.
