APPROACH TO VA MEDICAL COURIER SERVICES

Service Delivery Model

Dee Davis Inc. will leverage our established freight brokerage infrastructure to provide comprehensive medical courier coordination for VA Illiana Health Care System's 9-location network across central Illinois.

1. Carrier Contracting & Management

We will identify and contract with qualified medical courier carriers operating in the Illinois service area, applying our proven carrier selection process:

- ✓ Verification of 3+ years medical courier experience
- ✓ Confirmation of appropriate licensing and insurance coverage
- ✓ TWIC certification verification (Transportation Worker Identification Credential for secure facility access)
- ✓ Assessment of vehicle fleet capacity (including DME-capable vehicles)
- ✓ Review of safety records and compliance history
- ✓ Reference checks from current and previous clients
- ✓ Ongoing performance monitoring and quality assurance

2. Nine-Location Network Coordination

VA Illiana Service Locations:

- ✓ Danville VA Medical Center (Main)
- ✓ Bloomington CBOC
- ✓ Mattoon CBOC
- ✓ Champaign Primary Care Clinic
- ✓ Springfield Vet Center

- ✓ Peoria CBOC
- ✓ Springfield CBOC
- ✓ Decatur CBOC
- ✓ Peoria Vet Center

Our logistics team will coordinate daily scheduled routes and as-needed pickups across all facilities, with backup carrier availability to ensure service continuity.

3. Transportation Services

Comprehensive coordination of all required materials:

- ✓ Sterile and non-sterile medical supplies
- ✓ Office supplies and administrative materials
- ✓ Medical equipment (portable and stationary)
- ✓ Durable Medical Equipment (DME) with specialized vehicle capability
- ✓ Temperature-controlled transport when required
- ✓ Real-time tracking and documentation for all shipments
