

STATEMENT OF WORK

Dry Ice Delivery

Background

9 MDG Laboratory, Beale AFB has a need for the use of dry ice pellets for the packaging and shipping of samples to various reference laboratories to preserve sample integrity during transport. Pathology and Laboratory Medicine Service 9 MDG Laboratory, Beale AFB requires the supply and delivery of dry ice pellets by the vendor.

Objectives

9 MDG Laboratory, Beale AFB is requesting procurement of a firm-fixed price, contract for supply and on-site dry ice pellet delivery to 9 MDG Laboratory, Beale AFB located at 15301 Warren Shingle Dr, Beale AFB, CA 95903-1905.

Scope

The vendor shall provide all necessary management, labor, equipment, vehicles, transportation and delivery of dry ice services to the 9 MDG Laboratory, Beale AFB location as designated in the statement of work objectives. All work is to be performed in accordance with applicable federal, state, and local regulations or ordinances. Vendor will deliver the dry ice to the designated location once a week on an agreed day of the week / delivery date may change.

Weekly Delivery of Dry Ice:

The vendor shall provide and deliver dry ice pellets to the 9 MDG Laboratory weekly into a dry ice container located in the 9 MDG Laboratory, Beale AFB.

The 9 MDG Laboratory, Beale AFB requires weekly delivery of 250 lbs. of dry ice pellets for 52 weeks for a total of 13,000 lbs. per year.

- 9 MDG Laboratory, Beale AFB normal hours of operation are Monday through Friday, 0730 AM to 4:30 PM Pacific Standard Time.
- Deliveries to 9 MDG Laboratory, Beale AFB need to occur during normal business hours of 07:30 AM to 4:30 PM (PST) every Monday.

C. Environmental Controls

- The Vendor shall be responsible for maintaining a temperature-controlled environment that prevents rapid sublimation.
- The Vendor personnel drivers shall not leave vehicles in extreme heat or cold while dry ice is being transported to prevent sublimation.

Period of performance

- Base Period: 3/1/2027
- Option Year 1: 03/01/2028
- Option year 2: 03/01/2029
- Option Year 3: 03/01/2030
- Option Year 4: 03/01/2031

Contingency Plan

- Inclement weather - The Vendor shall immediately notify the Contracting Officers Representative (COR) personnel via phone and email communications of emergent road closures authorized by the California DOT.
