ABOUT THIS REQUEST

Dee Davis Inc. is a Michigan-based EDWOSB certified supplier serving municipal, state, and federal clients. We are submitting a bid to a Michigan road commission for utility pole supply and need your wholesale pricing to complete our bid package. This is a straightforward product resale opportunity - we handle all coordination, payment, and delivery logistics with the end client. Your quote will remain confidential and will only be used for our bid submission.

What We Need From You: Unit pricing for the specified poles, delivery costs to Flint MI, lead time, and confirmation of MDOT branding capability. We value long-term supplier relationships and aim for repeat business with reliable partners.
