Core Competencies:

DEE DAVIS INC specializes in serving as a prime contractor for projects requiring specialized expertise, equipment, or local knowledge. We maintain a national network of pre-qualified subcontractors and vendors, enabling rapid mobilization and competitive pricing while maintaining strict quality standards and compliance requirements.

1.2 PURPOSE OF THIS RFQ

DEE DAVIS INC, acting as Prime Contractor, is seeking competitive quotes from qualified subcontractors to PERFORM Pressure Washing Services on a municipal client project in Metro Detroit, Michigan.

This is a service subcontracting opportunity. We're asking:

- What do you charge to perform this work?
- Can you do the work safely, on time, and to specifications?
- Do you have proper insurance and licensing?
- Have you done similar work before?

This RFQ Process:

- We provide the scope of work and project requirements
- You quote your price to perform the service
- We verify you meet minimum qualifications and insurance requirements
- Lowest qualified bidder typically wins

This RFQ defines:

- Detailed scope of work (what needs to be done)
- Minimum contractor qualifications

- Required insurance coverage (mandatory)
- How to submit your quote
- Subcontract terms and payment schedule
- Confidentiality requirements

Client Confidentiality: The end client identity is confidential per our prime contract. The selected subcontractor will receive complete project details upon subcontract execution and signing of non-disclosure agreement.

1.3 PROJECT OVERVIEW

<i>Project Name:</i>	Municipal Parks Pressure Washing Services
<i>Project Location:</i>	Metro Detroit, Michigan
<i>Contract Type:</i>	As-Needed Services
<i>Contract Period:</i>	N/A
<i>Payment Terms:</i>	Net 30 days from invoice

Project Description:

Provide hot water pressure washing services for 20 municipal park locations on an as-needed basis. Work includes cleaning pavilions, gazebos, playgrounds, picnic tables, trash cans, BBQ grills, concrete pads, bleachers, fountains, and signage. Must use hot water equipment and appropriate cleaning chemicals without damaging surfaces. Response time: within 1 week of request. Typical season: April through October. PRICING: Quote per-location fixed prices for each of the 20 locations detailed in Section 2.2. Each price should include all labor, equipment, fuel, chemicals, and travel.

Note: End client information is confidential per prime contract requirements. The selected subcontractor will receive specific project details upon contract award.

SECTION 2: SCOPE OF WORK

2.1 GENERAL SCOPE & DELIVERABLES

Provide hot water pressure washing services for 20 municipal park locations on an as-needed basis. Work includes cleaning pavilions, gazebos, playgrounds, picnic tables, trash cans, BBQ grills, concrete pads, bleachers, fountains, and signage. Must use hot water equipment and appropriate cleaning chemicals without damaging surfaces. Response time: within 1 week of request. Typical season: April through October. PRICING: Quote per-location fixed prices for each of the 20 locations detailed in Section 2.2. Each price should include all labor, equipment, fuel, chemicals, and travel.

2.2 PERFORMANCE STANDARDS & QUALITY CONTROL

The selected subcontractor shall:

Performance Requirements:

- Comply with all applicable federal, state, and local regulations
- Maintain industry best practices and safety standards
- Provide qualified, trained personnel for all work performed
- Utilize equipment and materials meeting or exceeding specifications
- Complete work within specified timeframes and to stated quality standards

Quality Assurance:

- Implement documented quality control procedures
- Conduct self-inspections prior to final approval
- Correct any deficiencies promptly at no additional cost
- Maintain detailed records of work performed
- Provide photographic documentation when requested

Project Management:

- Designate a single point of contact for all project communications
- Respond to inquiries within 24 business hours
- Provide advance notice of scheduling and any potential delays
- Coordinate with DEE DAVIS INC project management team
- Submit progress reports and invoicing documentation as required

2.3 COMPLIANCE & REGULATORY REQUIREMENTS

All work must comply with:

- OSHA safety standards and regulations
- Environmental Protection Agency (EPA) requirements
- State and local building codes, permits, and ordinances
- Industry-specific regulations and standards
- DEE DAVIS INC safety and compliance policies
- End client policies and procedures (as provided)

Safety Requirements:

The subcontractor is solely responsible for workplace safety and must maintain a comprehensive safety

program including written safety plans, employee training records, and incident reporting procedures. DEE DAVIS INC reserves the right to suspend work for any safety violations.

SECTION 3: MINIMUM QUALIFICATIONS

3.1 MINIMUM REQUIREMENTS

Basic requirements for subcontractors. If you meet these, your quote competes on price.

REQUIREMENT #1: You're a Legitimate Contractor

- Valid business license for this type of work
- Can provide W-9 Form
- Not debarred from government contracting
- Any required trade-specific licenses or certifications

REQUIREMENT #2: You Have Required Insurance (MANDATORY - NON-NEGOTIABLE)

- Commercial General Liability: \$1M per occurrence / \$2M aggregate minimum
- Workers' Compensation: Required if you have employees
- Commercial Auto Liability: Required if using vehicles for this work
- Must be able to add DEE DAVIS INC as Additional Insured
- Provide current Certificate of Insurance with quote

REQUIREMENT #3: You Can Perform This Service

- Have experience performing this type of work
- Have necessary equipment, tools, and crew
- Can meet the project timeline and requirements
- Have capacity to take on this project

That's it. Meet these three requirements and you're in the running. Lowest qualified price typically wins.

?? INSURANCE IS MANDATORY - No proper insurance = Automatic rejection, no exceptions

SECTION 4: EVALUATION & AWARD

4.1 EVALUATION METHODOLOGY

Evaluation: Price-Driven with Qualification Check

This is primarily a price competition among qualified subcontractors:

1. We verify you meet the 3 minimum requirements (Section 3.1)
2. Among qualified bidders, lowest price typically wins
3. Quick reference checks on top 2-3 lowest bidders
4. Award to lowest qualified responsive bidder

Scoring Methodology:

PRICE COMPETITIVENESS: 60 points

- Lowest qualified bidder gets 60 points
- Other bidders scored proportionally
- Price must be complete and reasonable

CAPABILITY & EXPERIENCE: 20 points

- Demonstrated experience with similar work
- Proper equipment, tools, and crew
- References verify good performance
- Can meet project timeline

COMPLIANCE & INSURANCE: 20 points

- Insurance meets all minimum requirements
- Can add DEE DAVIS INC as Additional Insured
- W-9, business license, and trade licenses complete
- No red flags or compliance issues

TOTAL: 100 points

Reality Check: The lowest qualified bidder usually wins. We go to the next lowest if:

- Insurance inadequate or missing (automatic rejection)
- References reveal serious performance or safety issues
- Can't meet timeline or project requirements
- Pricing is incomplete or unreasonably low (red flag)
- Licensing or business legitimacy concerns

Bottom Line: Best price wins among contractors who can safely perform the work with proper insurance.

DEE DAVIS INC.
THE PROFESSIONALS PROFESSIONAL
4.2 SELECTION & AWARD PROCESS

STREAMLINED SELECTION PROCESS (3-7 business days typical)

Step 1: Threshold Screening (1-2 business days)

- Verify insurance documentation meets minimums
- Check business license and W-9 included
- Confirm minimum experience requirements met

- Eliminate non-responsive quotes (missing required docs)

Step 2: Price Evaluation & Reference Checks (2-3 business days)

- Compare pricing from qualified bidders
- Conduct quick reference checks on lowest 2-3 bidders
- Verify pricing is complete and reasonable
- May request pricing clarifications or corrections

Step 3: Award Decision (1-2 business days)

- Select lowest qualified responsive bidder (typical)
- OR select higher bidder if significant qualification concerns with lowest
- Execute simple subcontract agreement
- Issue Notice to Proceed

Typical Timeline: Award within 5-7 business days of quote due date

Important Notes:

- This is a competitive price-driven RFQ - lowest qualified bidder typically wins
- DEE DAVIS INC reserves right to reject any or all quotes
- Award decision is final and not subject to protest or appeal
- Only the awarded firm will be notified (unsuccessful bidders will not receive notification)
- No debriefings, negotiations, or discussions with unsuccessful bidders

6.3 INDEMNIFICATION & LIABILITY

Hold Harmless and Indemnification:

To the fullest extent permitted by law, Subcontractor shall indemnify, defend, and hold harmless DEE DAVIS INC, its officers, directors, employees, agents, and the end client from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or resulting from:

- Performance or non-performance of the subcontract work
- Acts, errors, omissions, or negligence of Subcontractor or its employees, agents, or sub-subcontractors
- Bodily injury, death, or property damage caused by Subcontractor
- Violation of laws, regulations, or ordinances by Subcontractor
- Claims of third parties relating to Subcontractor's work

This indemnification obligation survives termination or completion of the contract.

6.4 CONFIDENTIALITY & NON-CIRCUMVENTION

CONFIDENTIAL INFORMATION & NON-DISCLOSURE:

Subcontractor acknowledges that during the course of this engagement, it may be provided with or have access to confidential, proprietary, and sensitive information (collectively "Confidential Information") including but not limited to:

- End client name, identity, contact information, and organizational details
- Project location addresses and site-specific information
- DEE DAVIS INC pricing, profit margins, business strategies, and client relationships
- Contract terms between DEE DAVIS INC and the end client
- Technical specifications, drawings, plans, and proprietary methodologies
- Any information marked or identified as confidential

Non-Disclosure Obligations - Subcontractor Agrees To:

1. Maintain Strict Confidentiality: Hold all Confidential Information in the strictest confidence and not disclose, publish, or disseminate such information to any third party without DEE DAVIS INC's prior written consent.
2. Limited Use: Use Confidential Information solely for the purpose of performing work under this subcontract and for no other purpose whatsoever.
3. No Direct Contact: NOT contact, communicate with, or solicit the end client directly under any circumstances during or after the contract period without express written authorization from DEE DAVIS INC.
4. No Marketing/References: NOT use the end client's name, project details, or any Confidential Information in marketing materials, proposals, website, or any public communications without DEE DAVIS INC's prior written approval.
5. Protect Information: Implement reasonable safeguards to protect Confidential Information from unauthorized disclosure, including limiting access to employees with need-to-know.
6. Return Materials: Upon completion or termination, immediately return or destroy all documents, files, and materials containing Confidential Information.

NON-CIRCUMVENTION AGREEMENT:

Subcontractor specifically agrees that it shall NOT, directly or indirectly:

- Attempt to bypass, circumvent, or displace DEE DAVIS INC in any dealings with the end client
- Solicit, contact, or accept work directly from the end client for a period of 3 years
- Interfere with DEE DAVIS INC's relationship with the end client
- Assist any third party in circumventing DEE DAVIS INC's role as prime contractor

Duration of Obligations: These confidentiality and non-circumvention obligations survive indefinitely after contract completion or termination.

REMEDIES FOR BREACH:

Subcontractor acknowledges that breach of these obligations will cause irreparable harm to DEE DAVIS INC for which monetary damages are inadequate. Therefore, in addition to any other remedies available at law or equity, DEE DAVIS INC shall be entitled to:

1. Immediate Injunctive Relief: Seek immediate injunctive or equitable relief without posting bond to prevent or stop any breach or threatened breach.
2. Contract Termination for Cause: Immediately terminate the subcontract without notice and without liability for further payment.
3. Withholding of Payment: Withhold and offset any unpaid amounts against damages.
4. Monetary Damages: Recover all actual, consequential, and punitive damages resulting from the breach including:
 - Loss of contract value and profit margins
 - Loss of client relationship and future business
 - Costs of investigation and enforcement
 - Attorneys' fees and litigation costs
5. Liquidated Damages: Subcontractor shall pay liquidated damages of \$50,000 for each instance of unauthorized client contact or disclosure of Confidential Information, without prejudice to DEE DAVIS INC's right to seek additional damages.
6. Disgorgement of Profits: Forfeit and pay over to DEE DAVIS INC any profits, fees, or compensation received as a result of unauthorized dealings with the end client.

?? SUBCONTRACTOR ACKNOWLEDGES READING, UNDERSTANDING, AND AGREEING TO BE LEGALLY BOUND BY THESE CONFIDENTIALITY AND NON-CIRCUMVENTION TERMS

6.5 ADDITIONAL CONTRACT TERMS

Termination: DEE DAVIS INC may terminate this subcontract for convenience with 15 days written notice, or immediately for cause (including poor performance, safety violations, or breach of terms). Subcontractor will be compensated only for work satisfactorily completed prior to termination.

Warranties: Subcontractor warrants all work will be performed in a professional, workmanlike manner using qualified personnel and meeting all applicable standards. Subcontractor warrants all materials and equipment will be new, of good quality, and fit for intended purpose. Warranty period minimum 1 year from completion.
