Dee Davis Inc.

Policy Number: DDI-FDR-001

Version: 1.0

Effective Date: July 25, 2026

1. Purpose & Scope

Where Dee Davis Inc. is a First Tier, Downstream, or Related Entity (FDR) under Medicare/Medicaid managed care contracts, these Policies & Procedures apply to workforce in FDR-adjacent divisions.

Division-driven applicability: DEPOINTE (NEMT Coordination), HAVEN, SHIELD, VITAL, and Corporate/HR/Admin require OIG LEIE + GSA SAM screening and this acknowledgment. Freight 1st Direct, 3D Ink Signatures/CNTDA, DEPOINTE DNA, ARENA/PRIME, and unassigned do not by default.

2. Compliance Responsibility & Reporting

Ultimate responsibility rests with the President & CEO. Report FWA or compliance concerns to gc@deedavis.biz; quality/ops issues to qc@deedavis.biz. Good-faith reporters are protected from retaliation.

3. Compliance & FWA Training

Assigned CMS FDR curriculum is tracked in GATEWAY. DDI internal target: 30 days. CMS hard floor for General Compliance/FWA and Medicare Fraud & Abuse: 90 days. Missing the 90-day floor fails the can-work gate. Recurrence follows the GATEWAY training catalog.

4. Exclusion Screening

For FDR-applicable divisions: OIG LEIE and GSA SAM.gov screening at hire/engagement and monthly thereafter. Open flagged matches and overdue/never-screened status block can-work until resolved.

5. Record Retention

FDR-related training, screening, acknowledgment, and audit records are retained for a minimum of ten (10) years. GATEWAY records are archived, not hard-deleted.

6. Annual FDR Compliance Attestation

DDI maintains an organization-level Annual FDR Compliance Attestation on a calendar-year cycle, tracked in NEXUS HR FDR ATTESTATION.

7. Downstream Entities

DDI remains responsible for contract management and compliance oversight when using subcontractors or fulfillment partners on FDR-adjacent work.

8. Related Policies

DDI-HIPAA-001, DDI-PRIV-001, DDI-HR-001/002, DDI-HR-003, DDI-HR-004.

9. Discipline

Non-compliance may result in removal from FDR-adjacent work, employment discipline, contractor termination, and required reporting.

10. Acknowledgment

Typed-name electronic signature in GATEWAY for DDI-FDR-001 confirms the signer has read and agrees to comply (Version 1.0).
