

PRIVACY POLICY

Dee Davis Inc.
Policy Number: DDI-PRIV-001
Effective Date: March 29, 2026

1. Introduction

This Privacy Policy describes how Dee Davis Inc. (“we,” “us,” or “our”) collects, uses, discloses, and protects information in connection with our websites, services, and business operations. We are committed to protecting privacy and complying with applicable laws, including the Health Insurance Portability and Accountability Act (HIPAA) and state privacy requirements, where they apply to the information we handle.

By using our services or website, you acknowledge this policy. If you do not agree, please do not use our services. We may update this policy as described in Section 10.

2. What Information We Collect

Contact and identity information — Name, title, organization, mailing address, email address, telephone number, and similar identifiers you or your organization provide when requesting services, registering, or communicating with us.

Protected Health Information (PHI) — When we provide or coordinate health-related services as permitted by law or contract, we may create, receive, maintain, or transmit PHI (for example, information relating to past, present, or future physical or mental health or payment for care) only as necessary to perform agreed services and in accordance with HIPAA and applicable Business Associate Agreements.

Payment and billing information — Billing address, payment card or bank details, invoice references, and transaction records needed to process payments and fulfill contracts. Payment card processing may be handled by third-party processors; we do not store full card data except as needed for reconciliation and as permitted by law.

Operational and technical data — Device identifiers, IP address, browser type, pages viewed, and similar data when you use our website (see Section 7).

Other information — Information you voluntarily provide in forms, surveys, email, or phone calls relevant to our services.

3. How We Use Information

We use collected information to:

Provide services — Deliver contract management, logistics, healthcare-adjacent coordination, and related operations you or your organization request.

Communicate — Respond to inquiries, send service-related notices, and manage our relationship with clients, partners, and vendors.

Billing and collections — Process payments, invoices, and account administration.

Compliance and safety — Meet legal and regulatory obligations; protect rights, privacy, safety, and security; detect and prevent fraud or misuse.

Improvement — Analyze usage in aggregate to improve our website and operations (where not prohibited by law or contract).

We do not sell personal information for monetary consideration. Uses of PHI follow HIPAA, our policies, and applicable BAAs.

4. Who We Share Information With

We disclose information only as needed to operate our business and as permitted by law:

Managed Care Organizations (MCOs) and Medicaid programs — When we contract or coordinate with health plans, state Medicaid agencies, or related entities, we may share information necessary to perform services, as directed by the client or required by program rules, subject to HIPAA and program-specific agreements.

Subcontractors and service providers — Vetted partners who perform work on our behalf (for example, transportation, laboratory, technology, or professional services) under written agreements that require appropriate safeguards and, where applicable, HIPAA-compliant Business Associate or subcontractor terms.

Government and legal — When required by law, regulation, court order, or lawful governmental request.

Professional advisors — Attorneys, accountants, or insurers under confidentiality obligations when necessary.

We require third parties to use information only for the purposes we authorize and to implement reasonable protections.

5. How We Protect Information

Dee Davis Inc. maintains administrative, physical, and technical safeguards appropriate to the nature of the information and our operations, including:

Access controls and workforce training; secure handling of physical records; and technical measures for systems and electronic communications where we control them.

No method of transmission or storage is completely secure; we strive to use commercially reasonable measures and to comply with HIPAA Security Rule requirements where we handle electronic PHI as a Business Associate.

Breaches involving PHI are handled in accordance with HIPAA breach notification rules and our internal procedures.

6. Member and Client Rights

Depending on your relationship with us and applicable law, you may have rights regarding your information, including:

Access — Request a copy of or access to certain personal or health information we maintain about you, as required by HIPAA or state law.

Correction — Request amendment or correction of inaccurate information, subject to legal limits and our role (for example, when we hold PHI on behalf of a Covered Entity, requests may be routed through that entity as required by HIPAA).

Deletion — Where applicable law provides a right to delete personal information and we are not required to retain it for legal or contractual reasons, we will process requests in accordance with law. HIPAA and healthcare retention rules may limit deletion of certain records.

Complaints — You may file a complaint with us (see Section 9) or, for HIPAA-related concerns, with the U.S. Department of Health and Human Services Office for Civil Rights.

To exercise rights, contact the Privacy Officer using the information below. We will respond within timeframes required by applicable law.

7. Cookies and Website Data

Our website at deedavis.biz may use cookies, local storage, or similar technologies to remember preferences, maintain sessions, and understand aggregate traffic patterns.

You may control cookies through your browser settings; disabling cookies may limit certain site features.

We do not use cookies to knowingly collect PHI from casual website browsing unless you submit it through a secure form or portal designed for that purpose.

8. Third-Party Services

Our website or operations may link to or integrate with third-party sites, analytics tools, payment processors, cloud hosting, or communication platforms. Those services have their own privacy policies; we are not responsible for their practices except as required by law or contract.

We encourage you to read third-party policies before providing information to them.
